1 After Task Questions

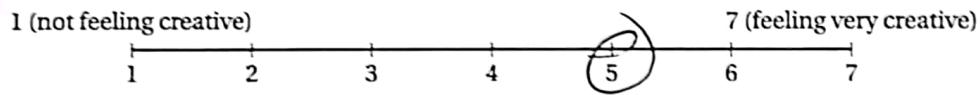

1. To what extent, do you think, did the pen plotter's drawing dependent on your drawing?

2. Which aspects, do you think, of your drawing influenced the Pen Plotter's drawing?

hedgehog was a toothbrush
to robot

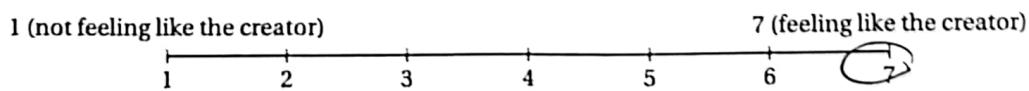

3. How creatively supported did you feel while creating with the Pen Plotter?

4. Does knowing that the Pen Plotter will draw after you, influence your creative process while drawing? If so, how? If not, why?

Tried to incorporate to the plotter's plan

5. How much do you feel like being the Image's creator?

(8)

104P

6. Why do you feel like the creator of the Image, or why do you not feel like the creator of the image?

I made it's additions part of my
piece.

7. How satisfied are you with the interaction?

8. Based on the previous Questions? Why or why are you not satisfied with the result?

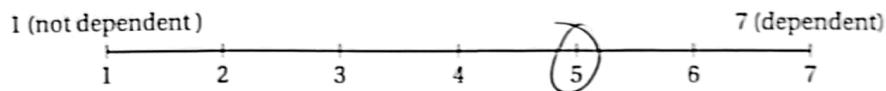

It didn't attach most of my
work and it kind off became
a story

7AM

1 After Task Questions

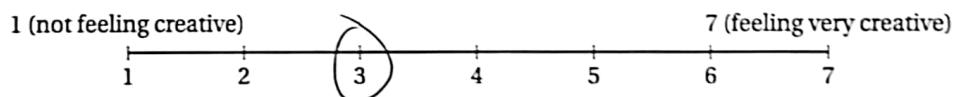

1. To what extent, do you think, did the pen plotter's drawing dependent on your drawing?

2. Which aspects, do you think, of your drawing influenced the Pen Plotter's drawing?

I followed what the computer draw because I let him go first

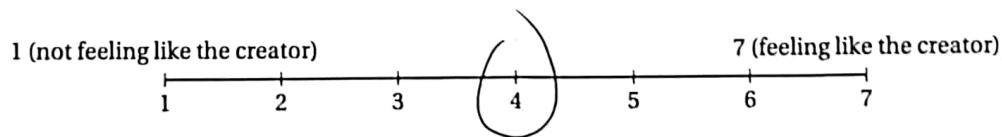

3. How creatively supported did you feel while creating with the Pen Plotter?

4. Does knowing that the Pen Plotter will draw after you, influence your creative process while drawing? If so, how? If not, why?

I thought it would enhance my drawing -

5. How much do you feel like being the Image's creator?

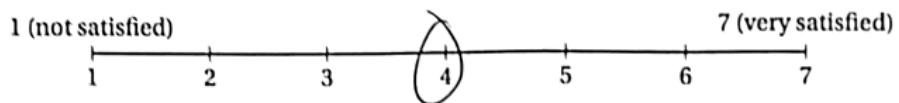

6. Why do you feel like the creator of the Image, or why do you not feel like the creator of the Image?

I feel like the computer created the image.

7. How satisfied are you with the interaction?

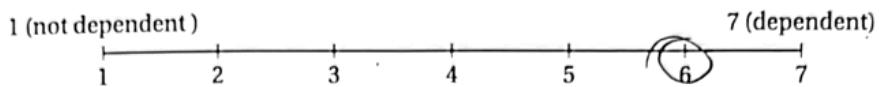

8. Based on the previous Questions? Why or why are you not satisfied with the result?

I feel that the overall outcome is not good. And does not look like a drawing at all.

1 After Task Questions

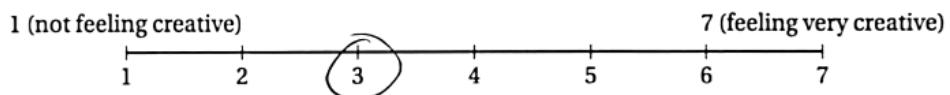

1. To what extent, do you think, did the pen plotter's drawing dependent on your drawing?

2. Which aspects, do you think, of your drawing influenced the Pen Plotter's drawing?

it followed the shapes present in my drawing, I think

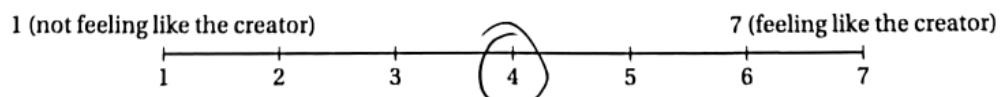

3. How creatively supported did you feel while creating with the Pen Plotter?

4. Does knowing that the Pen Plotter will draw after you, influence your creative process while drawing? If so, how? If not, why?

It did, I was varying the shapes I was drawing to see if the robot followed

5. How much do you feel like being the Image's creator?

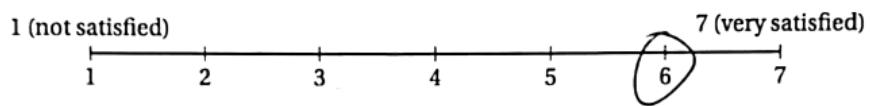

6. Why do you feel like the creator of the Image, or why do you not feel like the creator of the image?

I felt I was ~~was~~ making the shapes
& the machine was taking inspiration ~~from it~~.
From it.

7. How satisfied are you with the interaction?

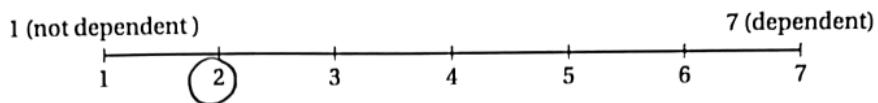

8. Based on the previous Questions? Why or why are you not satisfied with the result?

It was an interesting process , trying to
test the AI

(BS)

1 After Task Questions

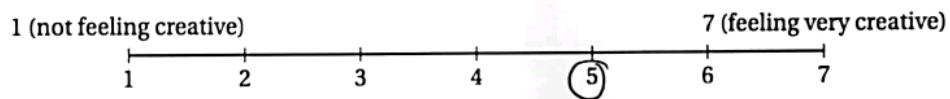

1. To what extent, do you think, did the pen plotter's drawing dependent on your drawing?

2. Which aspects, do you think, of your drawing influenced the Pen Plotter's drawing?

I have no idea, it seemed random.

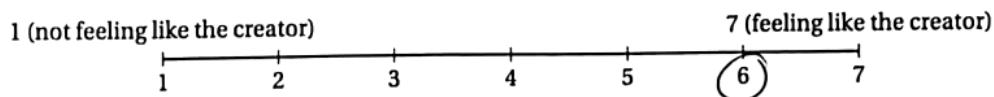

3. How creatively supported did you feel while creating with the Pen Plotter?

4. Does knowing that the Pen Plotter will draw after you, influence your creative process while drawing? If so, how? If not, why?

Not so much, I let my creativity not be impacted by it too much. But I started with something else than a flower, because of my previous artwork.

5. How much do you feel like being the Image's creator?

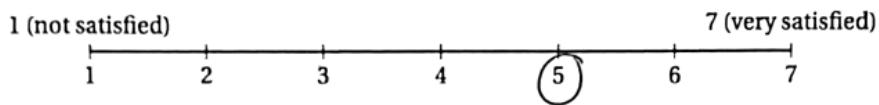

(1)

6. Why do you feel like the creator of the Image, or why do you not feel like the creator of the Image?

I started to draw, most of the lines the Plotter made ~~were~~ were integrated into the drawing by me.

7. How satisfied are you with the interaction?

8. Based on the previous Questions? Why or why are you not satisfied with the result?

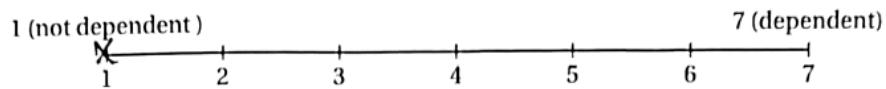

I liked, that this time I got ~~a~~ a new idea by what the ~~the~~ Plotter drew — to make it so the person holds a cake with candles on it.

1 After Task Questions

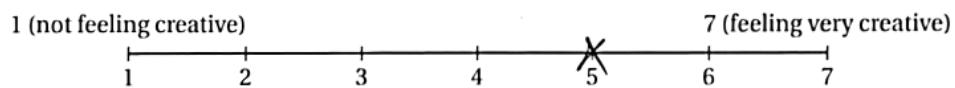

1. To what extent, do you think, did the pen plotter's drawing dependent on your drawing?

2. Which aspects, do you think, of your drawing influenced the Pen Plotter's drawing?

No idea. Maybe the fire and AI wanted to complement smoke.

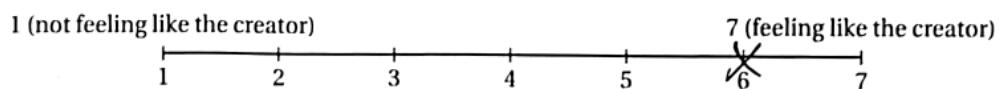

3. How creatively supported did you feel while creating with the Pen Plotter?

4. Does knowing that the Pen Plotter will draw after you, influence your creative process while drawing? If so, how? If not, why?

No i drew random stuff and wanted to see if AI might enhance it.

5. How much do you feel like being the Image's creator?

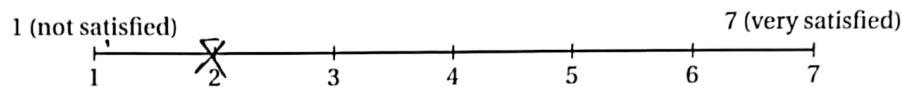

B

17 F

6. Why do you feel like the creator of the Image, or why do you not feel like the creator of the Image?

The only thing contributed by AI was "smoke".

7. How satisfied are you with the interaction?

8. Based on the previous Questions? Why or why are you not satisfied with the result?

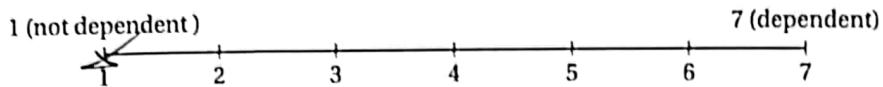

If only managed to draw 'smoke'

(B)

1 After Task Questions

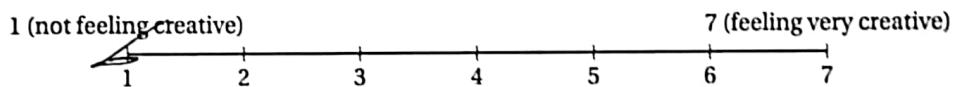

1. To what extent, do you think, did the pen plotter's drawing depend on your drawing?

2. Which aspects, do you think, of your drawing influenced the Pen Plotter's drawing?

Nothing
my drawings
He just wants to destroy

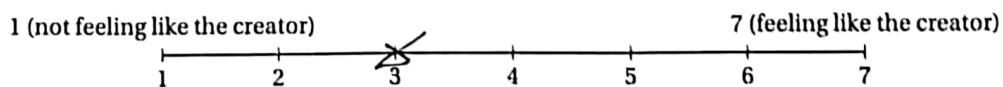

3. How creatively supported did you feel while creating with the Pen Plotter?

4. Does knowing that the Pen Plotter will draw after you, influence your creative process while drawing? If so, how? If not, why?

No I just tried to fix the
drawing from the plotter

5. How much do you feel like being the Image's creator?

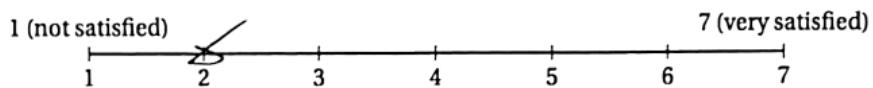

(B)

6. Why do you feel like the creator of the Image, or why do you not feel like the creator of the Image?

~~My first idea was destroyed by the plotter~~

7. How satisfied are you with the interaction?

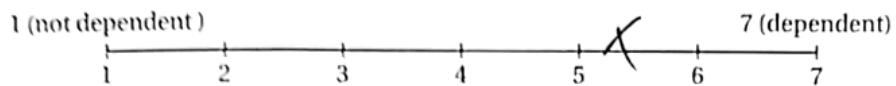

8. Based on the previous Questions? Why or why are you not satisfied with the result?

If wasn't possible to draw what I wanted to draw

(B)

1 After Task Questions

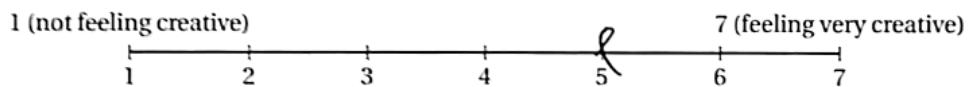

1. To what extent, do you think, did the pen plotter's drawing dependent on your drawing?

2. Which aspects, do you think, of your drawing influenced the Pen Plotter's drawing?

houses on the river (city)

3. How creatively supported did you feel while creating with the Pen Plotter?

4. Does knowing that the Pen Plotter will draw after you, influence your creative process while drawing? If so, how? If not, why?

not as much, it left space for me and did not interfere with my creation, but added to it

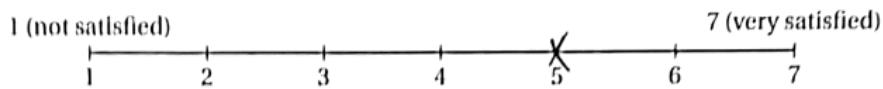

5. How much do you feel like being the Image's creator?

6. Why do you feel like the creator of the image, or why do you not feel like the creator of the image?

the photos added to my urban scene only urban elements.

7. How satisfied are you with the interaction?

8. Based on the previous Questions? Why or why are you not satisfied with the result?

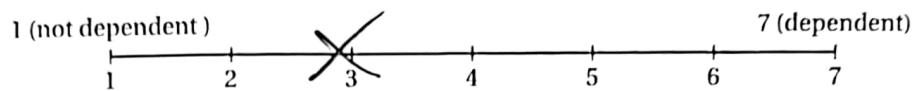

Helpful in adding a new inspiration to my first minimalist sketch and helped me to find a direction for an entire drawing

(B)

63E

1 After Task Questions

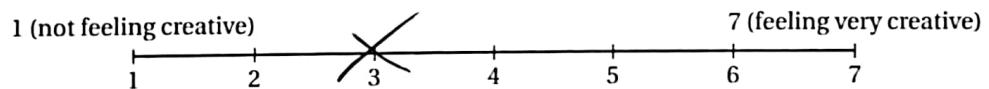

1. To what extent, do you think, did the pen plotter's drawing dependent on your drawing?

2. Which aspects, do you think, of your drawing influenced the Pen Plotter's drawing?

The peaks of my mountains
the upright slim shape of the trees

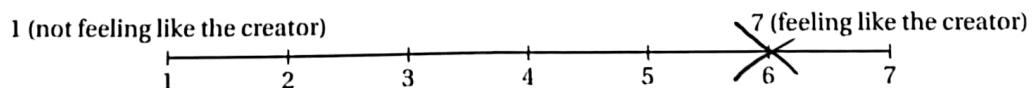

3. How creatively supported did you feel while creating with the Pen Plotter?

4. Does knowing that the Pen Plotter will draw after you, influence your creative process while drawing? If so, how? If not, why?

I try to keep it simple to see what the Pen Plotter wants to add

5. How much do you feel like being the Image's creator?

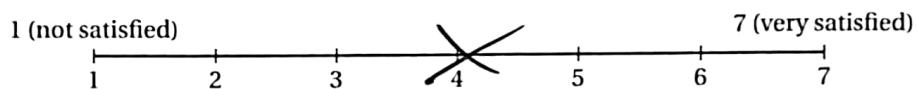

8

63E

6. Why do you feel like the creator of the Image, or why do you not feel like the creator of the image?

I looked at the Pen Plotters lines and turned it into what I see in them.
I have the final decision to make and get to set the tone in the beginning

7. How satisfied are you with the interaction?

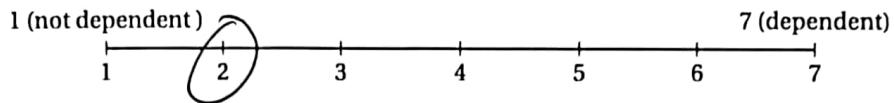

8. Based on the previous Questions? Why or why are you not satisfied with the result?

I expected more from this round knowing it will analyze my drawing and pull inspo from AI. It drew random lines over my previous drawing

(B)

1 After Task Questions

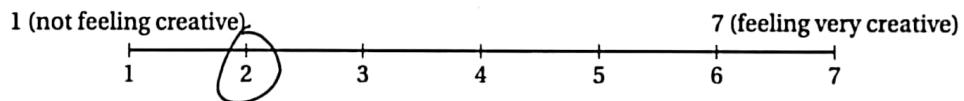

1. To what extent, do you think, did the pen plotter's drawing dependent on your drawing?

2. Which aspects, do you think, of your drawing influenced the Pen Plotter's drawing?

None

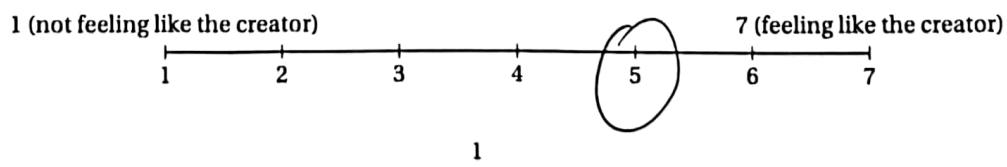

3. How creatively supported did you feel while creating with the Pen Plotter?

4. Does knowing that the Pen Plotter will draw after you, influence your creative process while drawing? If so, how? If not, why?

Yes, I wanted to see if the pen plotter would react to the theme I stuck to.

5. How much do you feel like being the Image's creator?

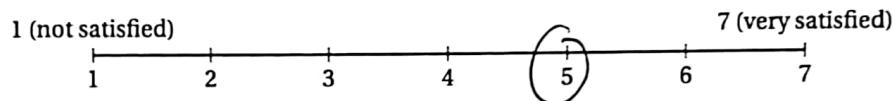

(B)

6. Why do you feel like the creator of the Image, or why do you not feel like the creator of the Image?

The distinctive aspects of the image are mostly the ones I drew

7. How satisfied are you with the interaction?

8. Based on the previous Questions? Why or why are you not satisfied with the result?

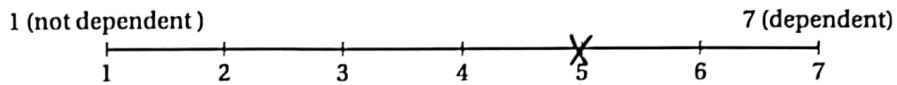

first time drawing with a robot so it's novel.

(B)

72G

1 After Task Questions

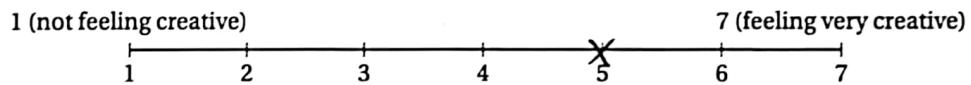

1. To what extent, do you think, did the pen plotter's drawing dependent on your drawing?

2. Which aspects, do you think, of your drawing influenced the Pen Plotter's drawing?

The amount of time I pressed the pen on the paper. The more independent lines I added, the more the robot drew.
pen plotter

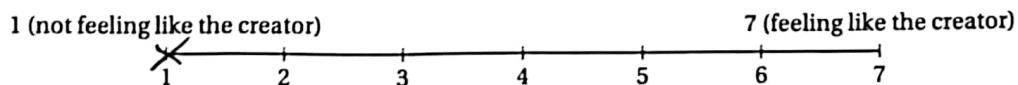

3. How creatively supported did you feel while creating with the Pen Plotter?

4. Does knowing that the Pen Plotter will draw after you, influence your creative process while drawing? If so, how? If not, why?

No, not really, but at the same time it encouraged me to stop and get inspired by the + pen plotter.

5. How much do you feel like being the Image's creator?

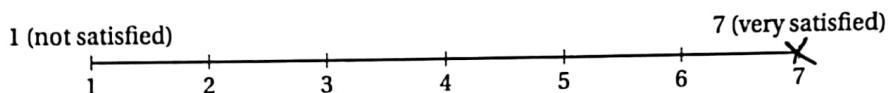

(B)

6. Why do you feel like the creator of the Image, or why do you not feel like the creator of the image?

I tried to suggest a theme to the per platter and it did not adapt to it. That's why I feel like I am not the creator.

7. How satisfied are you with the interaction?

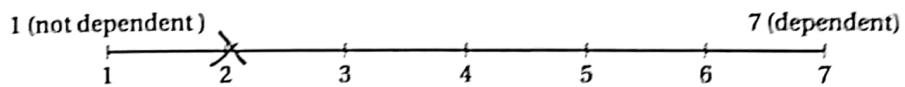

8. Based on the previous Questions? Why or why are you not satisfied with the result?

It is a very interesting way to draw.
I loved the experience.

(B)

1 After Task Questions

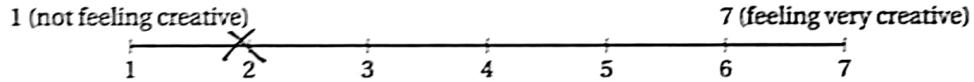

1. To what extent, do you think, did the pen plotter's drawing dependent on your drawing?

2. Which aspects, do you think, of your drawing influenced the Pen Plotter's drawing?

- repetitive
 - repetitive rhythms
 - longer drawings
 - abstract stuff

3. How creatively supported did you feel while creating with the Pen Plotter?

4. Does knowing that the Pen Plotter will draw after you, influence your creative process while drawing? If so, how? If not, why?

Yes it influenced me but more negatively. While drawing I had questions like „Will the robot understand me“ „Why not“ „Am I drawing accurate enough“

5. How much do you feel like being the Image's creator?

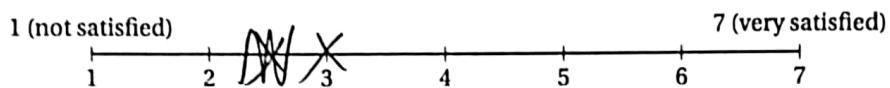

(B)

6. Why do you feel like the creator of the Image, or why do you not feel like the creator of the Image?

I had a mixed feeling because
 I had some ideas but the robot
 did not follow them so it was not
 so cooperative

7. How satisfied are you with the interaction?

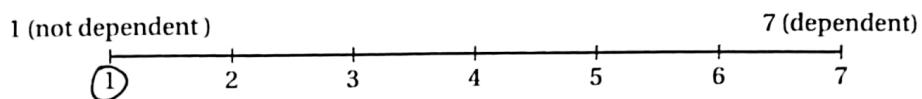

8. Based on the previous Questions? Why or why are you not satisfied with the result?

The interaction with the robot was not very smooth, because we did not create a nice image together

3

1 After Task Questions

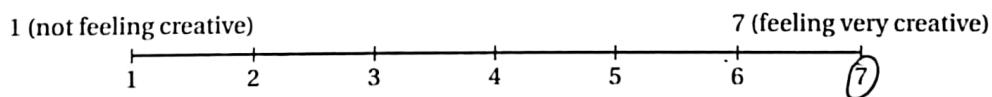

1. To what extent, do you think, did the pen plotter's drawing dependent on your drawing?

2. Which aspects, do you think, of your drawing influenced the Pen Plotters drawing?

No fucking idea

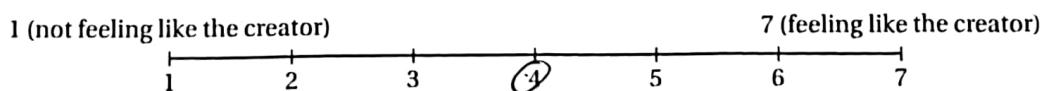

- ### **3. How creatively supported did you feel while creating with the Pen Plotter?**

4. Does knowing that the Pen Plotter will draw after you, influence your creative process while drawing? If so, how? If not, why?

a little bit. Because I don't know where he will draw next
and I didn't want any empty spaces

- #### **5. How much do you feel like being the Image's creator?**

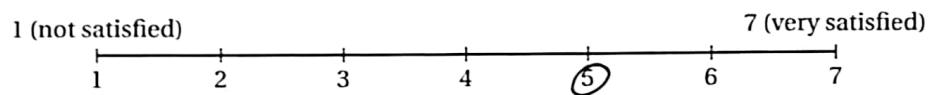

(B)

6. Why do you feel like the creator of the Image, or why do you not feel like the creator of the image?

Because I didn't know what to draw and the plotter helped me getting new ideas and he drew a part of the picture

7. How satisfied are you with the interaction?

8. Based on the previous Questions? Why or why are you not satisfied with the result?

It was a lot of fun to see what the plotter will draw and to work with it
